(EVANGELICAL & REFORMED)

WILSON AVE. & FERRY ST., NEWARK 5, N. J.

N. J. REFERENCE DIVISION

A Brief History of
SAINT STEPHAN'S UNITED CHURCH OF CHRIST

"Then spoke the Lord to Saul in the night by a vision: Be not afraid but speak and hold not thy peace; for I am with thee and no man shall set on thee to hurt thee; for I have much people in the city." This text from Acts 18 verses 9 to 11 was used for the very first sermon of St. Stephan's after its beginning on March 17th 1874 by Pastor Oscar H. Kraft.

It was appropriate then, it was significantly used on the 75th Anniversary in 1949 and it is most appropriate now in the 93rd year of St. Stephan's especially by the virtue of our churches very location at the heart of the Ironbound in the City of Newark.

The history of our church has been a story of fluctuating periods of both struggles and success in accomplishment of Christ's work in the city mainly due to the everchanging nature of the community and the congregation.

Much of the stability and loyalty of the St. Stephan's congregation must be attributed to the leadership of the board and elders in the last fifteen years which seemed to be a struggle period due to the mass exodus to the suburbs of many Downneckers. However, the congregation is presently making every effort to minister to all new immigrants in this area.

The ministers that have served St. Stephan's in these 93 years were:

Rev. O. H. Kraft	1874-1878
Rev. R. Katerndahl	1878-1897
Rev. E. Fuhrmann	1897-1939
Rev. E. W. Fuhrmann	1939-1947
Rev. E. A. Katterhenry	1948-1950
Rev. M. H. Theis	1950-1954
Rev. D. Schlinkman	1954-1959
Rev. L. C. Rohlfing	1960-1966

after the organization of the congregation in the Van Buren Street Carpenter shop of Mr. J. B. Reicher on March 17th 1874 membership was applied for and received in the Evangelical Synod of North America in April of 1874. The Evangelical Synod is one of the four former denominations constituting the United Church of Christ. All services were to be held in the German language. German was the dominant language and background of the Church membership until 1930 when English services were also started.

Ground was broken on May 26th and the corner stone was laid on June 21st 1874 for our present church building.

The most prosperous and largest period in terms of membership in St. Stephan's was due to the large influx of Germans in the Ironbound from Europe, was during the 42 year pastorate of Pastor Edward Fuhrmann.

The specific histories of the various organizations of the congregation and significant building improvements are told in the various anniversary books, the last of which is the 90th Anniversary membership directory. Building improvements in recent years included renovation of the Sunday School rooms, redecoration of the sanctuary, and necessary remodeling of the steeple.

During the last six or seven years, a new direction and sense of mission has become evident in community services. Included in these efforts are work with civil rights, the poverty program, drug addiction of problems, welfare and relief, job opportunities, etc. Most of this work comes under St. Stephan's involvement in the Ironbound Cooperative Ministry directed by The Rev. Howard Goeringer. In this context, we work cooperatively with other congregations in the Ironbound.

At the present time, active organizations within the congregation include the Junior High Youth Fellowship, The Senior High Youth Fellowship, and the Women's Guild. The Sunday School services about 60 children in the Sunday Morning Church School.

Currently, there is an after school tutorial program operated by several Senior High age girls. Various other community services include the donation of classroom space for pre-school classes operated by the Pre-School Council of Newark and donation of meeting rooms for community organizations.

With the able leadership of Mrs. Mari Vega, our Parish Worker, the congregation has embarked on a formal ministry to Spanish speaking residents of the Ironbound. A group of families has already been gathered for regular meetings, and this program is sure to expand in the years to come.

As St. Stephan's looks forward to a new pastor coming to serve the congregation around February 1, the time demands a renewal of dedication and commitment by each member and friend of St. Stephan's to carry on the mission of the church in the Ironbound.

In the interim period, The Rev. Charles Perroncel will be the pastor of St. Stephan's. Your cooperation and prayers are requested for his work and the work of the church.

THE MEMBERSHIP OF SAINT STEPHAN'S

While there are nearly 400 names in this directory of membership, the congregation is not composed of quite that many members. The breakdown of membership into categories is as follows:

Contributing and Communicant	290
Contributing, not Communicant	26
Communicant, no record of contributing	8
No record of consuming or contributing	36

The qualifications for church membership are specified in the Constitution, highlights of which are found in the rear of this directory. Within the context of Christian love, those who have not met most or all of

the qualifications may have not been included in this directory. However, if reinstatement is requested, and qualifications met, these persons will be welcome anew as active members of the congregation.
